Description

CenterPoint Energy is excited to announce internship opportunities for talented undergraduate students in 2026. This program provides a unique opportunity to gain hands-on experience in the energy industry. As a CenterPoint Energy intern, you will have the chance to contribute to critical projects, collaborate with industry professionals, and be part of a dynamic team committed to powering homes and businesses.

Responsibilities

- Contribute to the execution of key projects within your assigned department.
- Assist in data analysis, research, and the development of energy-related strategies.
- Engage in cross-functional collaboration with various teams to support business objectives.
- Participate in training sessions and workshops to enhance your professional skills.
- Gain exposure to the diverse facets of the energy industry.

Qualifications

- Currently enrolled in an undergraduate program in business, engineering, finance, or a related field.
- Strong academic record and a passion for the energy industry.
- Excellent communication and interpersonal skills.
- U.S. citizenship or authorization to work in the country of internship is required.

Experience

- Prior internship or coursework related to the energy industry is preferred but not required.
- Demonstrated interest in sustainable energy practices.

Skills

- Analytical and critical thinking skills.
- Strong attention to detail and organizational abilities.
- Effective communication and teamwork skills.
- Proficiency in Microsoft Office suite.
- Adaptability to a fast-paced and dynamic work environment.

Job Benefits

- Practical experience working in the energy industry.
- Networking opportunities with professionals in various sectors of the organization.
- Professional development and mentorship.

- Potential for future career opportunities within CenterPoint Energy.
- Competitive stipend or academic credit, as applicable.

How To Apply

To apply for the CenterPoint Energy Internship – Undergraduate 2026, please visit our careers page. Submit your resume, cover letter, and any additional documents as required.

Join us in powering a sustainable future through innovation and collaboration at CenterPoint Energy. We are an equal opportunity employer, and we encourage applications from candidates of diverse backgrounds and experiences.
