Description

DTE is pleased to offer exciting internship opportunities for graduate students looking to gain hands-on experience in the energy industry. Our Summer Internship Program provides a unique platform for talented individuals to contribute to impactful projects, collaborate with industry experts, and further their professional development.

Responsibilities

- Collaborate with cross-functional teams to contribute to ongoing projects and initiatives.
- Conduct research, data analysis, and assist in the development of reports.
- Support the implementation of sustainable and innovative energy solutions.
- Participate in professional development sessions and workshops.
- Contribute ideas and solutions to enhance operational efficiency.

Qualifications

- Graduate student pursuing a Master’s or advanced degree in a relevant field.
- Strong academic performance with a focus on energy-related studies.
- Excellent analytical and problem-solving skills.
- Effective communication and interpersonal abilities.
- Demonstrated ability to work independently and as part of a team.

Experience

While prior work or internship experience is beneficial, we encourage applications from graduate students with a passion for the energy industry and a commitment to making a positive impact.

Skills

- Proficiency in data analysis tools and techniques.
- Strong organizational and time-management skills.
- Excellent verbal and written communication skills.
- Ability to adapt to a fast-paced and dynamic work environment.
- Eagerness to learn and contribute to collaborative projects.

Job Benefits

- Hands-on experience in the energy industry with a leading company.
- Mentorship from industry professionals.
- Networking opportunities within DTE and the broader energy community.
- Competitive stipend for the duration of the internship.
- Potential for future full-time employment based on performance.

How To Apply

Interested candidates should submit their resume, a cover letter outlining their interest in the internship, and any relevant academic achievements or projects. Please send your application with the subject line “DTE Summer Internship Graduate Program Application 2026.”

DTE is an equal opportunity employer committed to diversity and inclusion. We encourage applications from candidates of all backgrounds and experiences.
