

Airbus Summer Internship Students 2026

Description

Airbus invites motivated and talented students to join our Summer Internship Program in 2026. This program provides a unique opportunity to gain hands-on experience in the aerospace industry, contributing to cutting-edge projects while fostering your professional development. Join us in shaping the future of aviation.

Responsibilities

- Collaborate with Airbus teams to contribute to various aerospace projects.
- Assist in research, analysis, and development of aviation technologies.
- Contribute to the planning and execution of aircraft-related programs.
- Engage in training sessions and professional development workshops.
- Support administrative tasks and project coordination.
- Actively participate in networking events and community outreach activities.

Qualifications

- Currently enrolled as a student in a relevant field, such as aerospace engineering, mechanical engineering, computer science, business, or related disciplines.
- Strong academic record with a focus on aviation-related coursework.
- Excellent communication and interpersonal skills.
- Passion for the aerospace industry and innovation.

Experience

- Previous coursework or projects related to aviation or aerospace is advantageous.
- Familiarity with aircraft technologies and systems is a plus.
- Eagerness to learn and contribute to Airbus's mission.

Skills

- Proficient in Microsoft Office suite.
- Analytical and problem-solving skills.
- Strong organizational and multitasking abilities.
- Ability to work collaboratively in a team environment.

Job Benefits

- Hands-on experience in a leading aerospace company.
- Exposure to diverse projects and initiatives within Airbus.
- Networking opportunities with professionals in the aviation industry.
- Mentorship from experienced aerospace experts.
- Potential for future career opportunities within Airbus.
