Description

The U.S. Food and Drug Administration (FDA) is offering a unique Internship Program for Undergraduate Students in 2026, providing an unparalleled opportunity to gain hands-on experience in regulatory science and public health. Join us in making a significant impact on public health while advancing your career.

Responsibilities

- Collaborate with FDA professionals on regulatory and scientific projects.
- Assist in research, analysis, and evaluation of regulatory data.
- Contribute to the development and implementation of public health initiatives.
- Participate in workshops, seminars, and training sessions.
- Support administrative tasks related to FDA programs.
- Engage in networking events and professional development activities.

Qualifications

- Currently enrolled as an undergraduate student in a relevant field.
- Strong academic record with a focus on biology, chemistry, public health, or a related discipline.
- Excellent written and verbal communication skills.
- Demonstrated interest in regulatory science and public health.

Experience

- Previous coursework or research experience related to regulatory affairs or public health is preferred.
- Familiarity with FDA regulations and processes is advantageous but not mandatory.
- Eagerness to learn and contribute to public health initiatives.

Skills

- Proficient in Microsoft Office suite.
- Analytical and critical-thinking skills.
- Detail-oriented with strong organizational abilities.
- Ability to work collaboratively in a team environment.

Job Benefits

- Valuable experience in regulatory science and public health.
- Exposure to diverse projects and initiatives within the FDA.
- Networking opportunities with professionals in regulatory affairs.
- Mentorship from experienced FDA professionals.
- Potential for future career opportunities within the FDA.

How To Apply

Interested undergraduate students should submit a comprehensive application, including a resume and cover letter, through the FDA Internship Program portal. Clearly outline your interest, relevant skills, and specify the internship opportunity you are applying for.

The FDA is an equal opportunity employer, and we encourage students from all backgrounds to apply. Seize this exciting opportunity to contribute to public health and gain valuable experience in your academic journey in 2026.
