Alliant Energy Summer Internship Program 2026

Description

Alliant Energy is excited to announce internship opportunities for talented individuals seeking to gain hands-on experience in the energy industry. Our Summer Internship Program offers a dynamic environment for interns to contribute to meaningful projects, collaborate with industry experts, and develop essential skills for their professional growth.

Responsibilities

- Collaborate with cross-functional teams to support ongoing projects and initiatives.
- Assist in data analysis, research, and report generation.
- Contribute to the development and implementation of energy-related programs.
- Engage in professional development sessions and workshops.
- Complete assigned tasks and projects within specified deadlines.

Qualifications

- Currently enrolled as an undergraduate or graduate student.
- Pursuing a degree in engineering, business, environmental science, or a related field.
- Strong academic performance and a passion for the energy industry.
- Excellent organizational and time-management skills.
- Effective communication and interpersonal abilities.

Experience

While prior work experience is beneficial, we encourage applications from students with a strong academic background and a genuine interest in the energy sector.

Skills

- Proficiency in data analysis tools and techniques.
- Strong organizational and time-management skills.
- Excellent verbal and written communication skills.
- Ability to adapt to a fast-paced and dynamic work environment.
- Eagerness to learn and contribute to collaborative projects.

Job Benefits

- Hands-on experience in the energy industry with a leading company.
- Mentorship from industry professionals.
- Networking opportunities within Alliant Energy and the broader energy community.
- Competitive stipend for the duration of the internship.
- Potential for future full-time employment based on performance.
