

American Fidelity Assurance Internship Graduate Students

Description

American Fidelity Assurance, a leading provider of financial security solutions, is seeking talented and motivated graduate students to join our internship program. This program offers a unique opportunity to gain valuable real-world experience, contribute to meaningful projects, and build your professional network within our dynamic and growing company. Internship opportunities exist across various departments, including finance, actuarial science, technology, marketing, and risk management.

Responsibilities

- Conducting research and data analysis relevant to the assigned project.
- Assisting with financial modeling and actuarial calculations.
- Developing and presenting recommendations to leadership teams.
- Contributing to the design and implementation of new initiatives.
- Participating in meetings and collaborating with various stakeholders.
- Learning and adhering to company policies and procedures.

Qualifications

- Currently enrolled in a graduate program (Master's or Ph.D.) in a relevant field such as finance, actuarial science, mathematics, statistics, computer science, engineering, business administration, or marketing.
- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a team.
- Proficient in Microsoft Office Suite and other relevant software tools (depending on the department).
- Previous internship or research experience preferred.

Experience

- Previous internship experience preferred, but not required.
- Experience with research and data analysis a plus.
- Familiarity with the insurance industry a plus.

Skills

- Strong time management and organizational skills.
- Adaptability and ability to learn new concepts quickly.
- Attention to detail and accuracy.
- Strong work ethic and positive attitude.

Job Benefits

- Competitive salary and benefits package.
