State of Maryland Jobs — Community Health Outreach Coordinator — Baltimore, MD, USA

Description

The Community Health Outreach Coordinator is one of the community health services occupations to understand when exploring State of Maryland careers in Baltimore, MD, USA. The work brings together scheduling public health information sessions and recording outreach referrals and responses, so consistent updates matter. Skills in community outreach and health communication, alongside good communication, make this type of work easier to manage.

Responsibilities

- Schedule public health information sessions.
- Record outreach referrals and responses.
- Handle confidential information appropriately and track requests to completion.
- Share work updates and close out records when each task is complete.

Qualifications

- Practical familiarity with community outreach and health communication.
- Ability to organize information and communicate clearly with colleagues or service users.
- Attention to accuracy, deadlines, and established operating procedures.

Experience

A background in community outreach, academic projects, or related service work provides useful preparation for community health outreach coordinator responsibilities.

Skills

community outreach, health communication, scheduling, communication, organization, accuracy
