Description

Lakeland Electric is offering internship opportunities for students in 2026 to gain valuable experience in the field of electric utilities. As an intern, you will have the opportunity to work closely with professionals in the industry and contribute to real-world projects that impact the community. This internship program aims to provide students with hands-on experience, exposure to various aspects of the electric utility sector, and the chance to develop skills that will be valuable in their future careers.

Responsibilities

- Assist in the planning and execution of projects related to electric utilities.
- Conduct research and analysis to support decision-making processes.
- Collaborate with cross-functional teams to achieve project goals.
- Participate in field visits and inspections to gain practical knowledge.
- Prepare reports and presentations to communicate findings and recommendations.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program.
- Strong academic record in engineering, business, or a related field.
- Excellent communication and interpersonal skills.
- Ability to work independently and collaboratively in a team environment.
- Eagerness to learn and take on new challenges.

Experience

- Previous internship experience or coursework related to the electric utility industry is a plus.
- Familiarity with basic concepts in electrical engineering, energy management, or related fields.

Skills

- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint).
- Analytical and problem-solving skills.
- Attention to detail and accuracy.
- Time management and organizational abilities.

Job Benefits

- Hands-on experience in the electric utility industry.
- Networking opportunities with professionals in the field.
- Exposure to real-world projects and challenges.
- Professional development and mentorship.
- Competitive stipend or compensation.

How To Apply

Interested candidates should submit their resume, cover letter, and academic transcripts. Please include “LE Internship 2026 Application” in the subject line. Applications will be accepted until. Shortlisted candidates will be contacted for interviews.

Lakeland Electric is an equal opportunity employer. We encourage diversity and welcome applicants from all backgrounds to apply.
