Northrop Grumman Internship Opportunities 2026

Description

Join Northrop Grumman, a leading aerospace and defense technology company, and launch your career with a rewarding internship opportunity. We offer diverse programs across various locations and disciplines, allowing you to contribute to real-world projects, gain valuable industry experience, and develop professional skills under the guidance of experienced mentors.

Responsibilities

- Assist with assigned projects based on your chosen field and internship focus.
- Conduct research, collect and analyze data relevant to your assigned tasks.
- Develop presentations, reports, or technical documents based on your findings.
- Participate in meetings, workshops, and training sessions with Northrop Grumman experts.
- Contribute to a collaborative and professional work environment.

Qualifications

- Currently enrolled in an accredited undergraduate or graduate program.
- Minimum GPA of 3.0 (may vary depending on program).
- Strong communication, analytical, and problem-solving skills.
- Ability to work independently and as part of a team.
- Proficient in Microsoft Office Suite, with additional software skills preferred depending on the program.
- U.S. citizenship or valid work authorization required for most positions.

Experience

- Prior internship or relevant work experience preferred, but not required.
- Experience in your field of study or a related field is a plus.
- Strong academic performance demonstrates your ability to excel in an internship setting

Skills

- Excellent written and verbal communication skills.
- Ability to manage time effectively and meet deadlines.
- Strong research and data analysis skills.
- Teamwork and collaboration skills.
- Adaptability and willingness to learn new technologies and processes.

Job Benefits

- Gain valuable real-world experience and develop professional skills relevant to your career aspirations.
