- Assist in the coordination and execution of airport events and initiatives.
- Conduct research and analysis to contribute to ongoing projects and strategic planning.
- Engage in cross-functional collaboration with airport staff to address operational challenges.
- Participate in training sessions and workshops to enhance your understanding of airport management.

Qualifications

- Currently enrolled in an undergraduate or graduate program in aviation management, business, engineering, or a related field.
- Strong academic record and a passion for the aviation industry.
- Excellent communication and interpersonal skills.
- U.S. citizenship or authorization to work in the country of internship is required

Experience

- Prior internship or coursework related to aviation or airport management is preferred but not required.
- Demonstrated interest in the transportation industry.

Skills

- Analytical and critical thinking skills.
- Strong attention to detail and organizational abilities.
- Effective communication and teamwork skills.
- Proficiency in Microsoft Office suite.
- Adaptability to a fast-paced and dynamic airport environment.

Job Benefits

- Practical experience in a world-class international airport.
- Networking opportunities with professionals in various airport departments.
- Exposure to the diverse facets of airport operations and management.

- Professional development and mentorship.
- Competitive stipend or academic credit, as applicable.
