Description

National Grid is pleased to announce internship opportunities for graduate students seeking to apply their skills and knowledge in the energy industry. Our Internship Graduate Students Program offers a dynamic environment for talented individuals to contribute to critical projects, gain industry exposure, and develop professionally.

Responsibilities

- Collaborate with cross-functional teams on strategic projects and initiatives.
- Assist in data analysis, research, and the preparation of reports.
- Contribute to the development and implementation of energy-related programs.
- Engage in professional development sessions and workshops.
- Complete assigned tasks and projects within specified deadlines.

Qualifications

- Graduate student pursuing a Master’s or advanced degree in a relevant field.
- Strong academic performance with a focus on energy, engineering, business, or related studies.
- Excellent organizational and time-management skills.
- Effective communication and interpersonal abilities.
- Demonstrated ability to work independently and as part of a team.

Experience

While prior work experience is beneficial, we welcome applications from graduate students with a strong academic background and a genuine interest in the energy sector.

Skills

- Proficiency in data analysis tools and techniques.
- Strong organizational and time-management skills.
- Excellent verbal and written communication skills.
- Ability to adapt to a fast-paced and dynamic work environment.
- Eagerness to learn and contribute to collaborative projects.

Job Benefits

- Hands-on experience in the energy industry with a leading company.
- Mentorship from industry professionals.
- Networking opportunities within National Grid and the broader energy community.
- Competitive stipend for the duration of the internship.
- Potential for future full-time employment based on performance.

How To Apply

Interested candidates should submit their resume and a cover letter outlining their interest in the internship, relevant academic achievements or projects, and career goals. Please send your application with the subject line “National Grid Internship Graduate Program Application 2026.”

National Grid is an equal opportunity employer and is committed to fostering diversity and inclusion. We encourage applications from candidates of all backgrounds and experiences.
