Description

Omaha Airport is thrilled to introduce its Internship Program for 2026, providing a unique opportunity for individuals to gain hands-on experience in the dynamic aviation industry. As an intern at Omaha Airport, you will be an integral part of our team, contributing to various projects and initiatives that play a crucial role in airport operations.

Responsibilities

- Assist in day-to-day operations within airport departments such as administration, customer service, and facilities management.
- Collaborate with airport staff on projects related to safety, security, and infrastructure improvements.
- Participate in research and analysis to support decision-making processes.
- Engage in community outreach initiatives and contribute to events and programs.
- Attend meetings, workshops, and training sessions to enhance your understanding of airport operations.

Qualifications

- Currently enrolled in an undergraduate or graduate program with a focus on aviation management, business administration, or a related field.
- Strong academic record and a passion for the aviation industry.
- Excellent communication and interpersonal skills.
- Ability to work independently and collaboratively in a team environment.
- Eagerness to learn and a proactive approach to problem-solving.

Experience

- No specific professional experience required; previous coursework or internships in aviation or related fields are a plus.
- Familiarity with airport operations is advantageous.

Skills

- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint).
- Strong organizational and time-management skills.
- Adaptability to a fast-paced and dynamic work environment.
- Detail-oriented with a commitment to safety and excellence.

Job Benefits

- Hands-on experience in airport operations and management.
- Networking opportunities with aviation professionals and industry leaders.
- Exposure to real-world projects and challenges within the aviation sector.
- Professional development and mentorship.

- Competitive stipend or compensation.
