Online Tutor (Evenings, Part-Time)

Description

Littera Education is hiring remote part-time tutors for Fall 2026 to support K-12 students in Reading, Math, Algebra and/or ESL/ELL. Curriculum and the virtual tutoring platform are provided, so the focus is on live instruction and consistent student support.

Responsibilities

- Deliver live online tutoring sessions using Littera's virtual platform.
- Use prepared lesson materials and adapt instruction to student needs.
- Support small groups of students and build positive learning relationships.
- Use video, audio, screen sharing, chat and whiteboard tools during sessions.
- Complete required onboarding, training and live-session expectations.

Qualifications

- Must live and work in an eligible U.S. state.
- Experience or strong subject knowledge in Reading, Math, Algebra or ESL/ELL.
- Reliable computer, high-speed internet and a quiet tutoring space.
- Ability to pass a background check and communicate effectively with K-12 students.

Experience

The role is listed as experienced. Prior tutoring, K-12 support, teaching or relevant subject-matter experience is helpful.

Skills

Online tutoring, student engagement, virtual instruction, Reading, Math, Algebra, ESL/ELL, communication, adaptability, educational technology.

Job Benefits

Fully remote work, paid training, company-paid background check and fingerprinting when required, no commuting, no lesson planning and no weekend tutoring requirement in the main schedule.

How To Apply

Apply through the official Littera Education careers page: [Online Tutor application](#).
