Gain valuable experience within a world-renowned academic healthcare system while contributing to meaningful projects across various departments. This internship program allows you to apply your academic knowledge, develop professional skills, and gain exposure to diverse career paths within the healthcare industry.

Responsibilities

- Assist with assigned projects under the guidance of experienced professionals.
- Conduct research, analyze data, and prepare reports.
- Participate in meetings and presentations.
- Contribute to ongoing departmental initiatives.
- Collaborate with colleagues from various backgrounds and disciplines.
- Maintain a professional and positive attitude.

Qualifications

- Currently enrolled in a Master's degree program in healthcare administration, business administration, nursing, public health, health informatics, or a related field.
- Projected graduation date in or after September 2024.
- Strong academic record with a minimum GPA of 3.0.
- Excellent communication, interpersonal, and problem-solving skills.
- Ability to work independently and as part of a team.
- Proficient in Microsoft Office Suite and other relevant software programs.

Experience

- Prior internship experience in a healthcare setting.
- Research experience.
- Volunteer experience in the healthcare field.

Skills

- Excellent written and verbal communication skills.
- Strong analytical and critical thinking skills.
- Ability to prioritize and manage multiple tasks effectively.
- Ability to work independently and take initiative.
- Strong interpersonal skills and the ability to work effectively in a team environment.
- Flexible and adaptable to changing priorities.

Job Benefits

- Competitive hourly wage.
