- Contribute to special projects and initiatives that enhance patient outcomes and overall hospital efficiency.
- Assist with data collection, analysis, and reporting to support continuous improvement efforts.
- Engage in training sessions and workshops to enhance your understanding of healthcare practices.
- Collaborate with multidisciplinary teams to achieve departmental and organizational goals.

Qualifications

- Currently enrolled in an undergraduate or graduate program in a healthcare-related field, such as nursing, medicine, public health, administration, or technology.
- Strong academic record and a passion for contributing to the healthcare industry.
- Excellent communication and interpersonal skills.
- U.S. citizenship or authorization to work in the country of internship is required.

Experience

- Prior internship or coursework related to healthcare is preferred but not required.
- Demonstrated interest in patient care, healthcare administration, research, or technology.

Skills

- Analytical and critical thinking skills.
- Strong attention to detail and organizational abilities.
- Effective communication and teamwork skills.
- Proficiency in Microsoft Office suite.
- Adaptability to a fast-paced and dynamic healthcare environment.

Job Benefits

- Exposure to real-world healthcare scenarios and challenges.
- Networking opportunities with healthcare professionals and leaders.
- Professional development and mentorship.
- Potential for future career opportunities within University Hospitals.
- Competitive stipend or academic credit, as applicable.
